FOR IMMEDIATE RELEASE

Resource Label Group, LLC Acquires Lake Oswego, Oregon based Taylor Made Labels, Inc.

Resource Label Group, LLC, a leading manufacturer of pressure sensitive labels for the packaging industry, has announced the recent acquisition of Taylor Made Labels, Inc., based in Lake Oswego, Oregon.

Franklin, TN, October 1, 2015 – Resource Label Group, LLC, continues to expand its portfolio with the recent acquisition of Taylor Made Labels, Inc., based in Lake Oswego, Oregon.

“I am very pleased to welcome the Taylor Made Labels Inc. organization into our growing family” said Resource Label Group’s CEO Bob Simko. “Taylor Made Labels, Inc. is acknowledged throughout the industry as a preferred supplier of integrated packaging solutions with its complementary offering of a full breadth of pressure sensitive labels and custom label application equipment” added Simko.

Taylor Made Labels, Inc. is a premier pressure sensitive label manufacturer and design firm with flexographic and digital printing capabilities that is focused on the food, fresh produce, wine and beverage market segments.
